

The image shows an energy label for a Beko refrigerator. At the top left is the European Union flag. To its right, the word "ENERG" is written in large letters, with "енергия" and "energeia" below it. Further right are four circular icons containing the letters Y, IJA, IE, and IA. Below the flag is the "beko" logo. To the right of the logo, the model number "HCA62641BH" and the barcode number "8891863200" are displayed. The central part of the label features a vertical scale of energy efficiency classes from A+++ (green) at the top to D (red) at the bottom. A black arrow points to the class "A". Below this scale is a box containing the number "48" and the unit "kWh/annum". At the bottom, there are four icons in separate boxes: a fan (labeled A B C D E F G), a light bulb (labeled A B C D E F G), water droplets (labeled A B C D E F G), and a speaker (labeled 65 dB). The text "65/2014" is at the bottom left of the label.
