BFLB1020W

10 kg Wifi Connected Washing Machine with Steam

SteamCure™ +Hygiene+ - 99.9% allergen* free with the hygienic power of steam. SteamCure’s Hygiene+ steam cycle provides improved levels of cleanliness by heating the water up to 60 °C, reducing common household allergens* by up to 99.9% (approved by Allergy UK) and removing 99.9% virus and bacteria (Airmid Certification).

* House Dust Mite Allergen, Cat Allergen, Dog Allergen, Fungi Allergen

Steam Refresh - Enjoy the feeling of refreshed clothes. When you wear clothes once and you don’t want to fully wash them again, but a quick go-over would freshen up your clothes. Now your washing machine can refresh your clothes, remove wrinkles without doing a full wash. Steam infused into the washing machine refreshes the load so that you can enjoy fully refreshed clothes.

Wifi Connected/Download Programs - Easily control your washing machine from your smartphone with our HomeWhiz technology Wizard. You can also download new programs, customise programs and set them as your favourite . You can also remotely control and monitor your washing machine with your device.

Daily Quick Program - If it feels like ages for the washing machine to finish, try the Daily Quick Program. Daily Quick lets you wash a full load of laundry in just 28 minutes, at 30 °C. Your laundry will be done before you can finish that half-an-hour comedy you’ve been meaning to catch up on.
