BFLB124ADW

12 kg Autodose Wifi Connected Washing Machine with Steam

**Autodose System** - With AutoDose there's no need to determine the perfect detergent amount for each wash any more! It's done automatically for you. Giving peace of mind, and reducing the 'hassle' in laundry.

**Aquatech** - Beko washing machines with Aquatech resolve all your concerns while having fast, gentle programs and being energy efficient as well. Beko Aquatech washing machines use power of water to minimize the damaging effect of the drum movements and maximizing time saving for washing. In this way, they wash fabrics fast while being also gentle.

**SteamCure™ +Hygiene+** - 99.9% allergen\* free with the hygienic power of steam. SteamCure's Hygiene+ steam cycle provides improved levels of cleanliness by heating the water up to 60 °C, reducing common household allergens\* by up to 99.9% (approved by Allergy UK) and removing 99.9% virus and bacteria (Airmid Certification).

\* House Dust Mite Allergen, Cat Allergen, Dog Allergen, Fungi Allergen

**Wifi Connected/Download Programs** - Easily control your washing machine from your smartphone with our HomeWhiz technology Wizard. You can also download new programmes, set them as your favourite and remotely control and monitor your washing machine, all without needing to be in the room.
