Anthracite

Multifunctional Cooking - Bake perfect cupcakes, roast a delicious Sunday dinner or use the grill to make a hearty but healthy breakfast. A multi-function oven provides you with the ultimate in cooking flexibility by combining a fan and conventional oven, a grill and a host of different cooking functions

Extra Large Capacity- We understand how busy your home life can get and how important it is to be able to cook more food in one go. Whether you're making a meal for one, or preparing dinner for your whole family, cooking is made easy with a large oven capacity of 81L.

Pyrolytic Self Cleaning- Save time in the kitchen with our ovens that clean themselves at the touch of a button. The oven heats up to a super-hot 480°C, burning away dirt and grease, and then all you have to do is use a damp cloth to wipe clean.
