81 L/41 L Multifunction Built-In Oven Double Oven

Multifunctional Cooking - Bake perfect cupcakes, roast a delicious Sunday dinner or use the grill to make a hearty but healthy breakfast. A multi-function oven provides you with the ultimate in cooking flexibility by combining a fan and conventional oven, a grill and a host of different cooking functions.

Large Capacity- Giving you lots of extra cooking space for big family meals, this oven comes with a second oven and grill. This can be used to cook different parts of your meal at different temperatures, offering you more cooking flexibility.

Easy Clean Interior- Offering an easy cleaning solution, the interior side & back has catalytic liners, absorbing grease & dirt. Cleaning your oven's door is easier than ever with the easy-to-remove inner glass door. Free of bolts, you can comfortably slide the glass door out to help you clean even those hard-to-reach spots.

Recycled Net- In the production of these ovens, in the parts of door décor plastic, display cover 5% fishing net waste & 65% industrial thread waste are used. And the inner display cover's 50% is made with industrial thread waste.
