HDMI32401DT

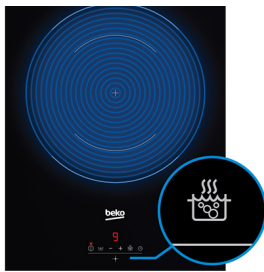

30 cm Induction 2 Zone Cooktop Commercial Exclusive

Induction Cooking - Induction Cooking offers precise cooking power giving you perfect cooking results. They are also safer for the family as it only produces residual heat allowing the surface to stay cool. Induction cooktops are always easy to clean thanks to the smooth glass surface.

Timer Function - Set a specific time for your food to cook. An audible beep will notify you when its ready.

Booster Function - Helping you save time, use the booster function to set the cooking zone to its maximum power, reaching the highest temperature quickly and efficiently.
