## 345 L White Top Mount Fridge/Freezer

**Everfresh+® Crisper** - Humidity is precisely controlled and condensation reduced via air channels, temperature variations minimised, so your fruit and vegetables stay crisp and fresh for up to 3 times longer than normal\*.

\*Tested by SGS (compared to standard crisper for broccoli and lettuce)

**Active Fresh Blue Light** - Beko's Active Fresh Blue Light™ technology will protect vitamin C intensity in vegetables and keep the natural flavours and nutritional elements in your food intact. This means your fruit and vegetables are up to 30%\* better preserved.

\* Tested by FRPERC and TÜBITAK (compared to standard crisper for tomatoes, red and green pepper)

**NeoFrost™ Dual Cooling** - Beko NeoFrost™ dual cooling fridges with 2 separate cooling systems mean you can maintain optimum humidity in the fridge, while keeping the freezer dry, frozen and frost-free. Keeping fresh food fresh and frozen food frozen.

**IonGuard®** - Beko IonGuard® technology can help remove odours in your fridge. Circulating negative ions neutralise bacteria and particles that cause odours.

**Active Seal Guard** - the antibacterial door seal prevents bacteria from forming and entering the fridge.
