Features

18 Options 1 Touch

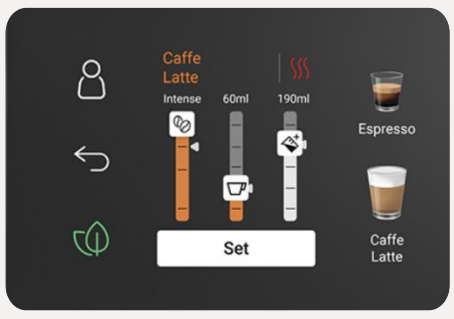
Delivers 18 delicious options at the touch of a button, fast, easy, and exceptional every time, also provides the convenience of hot milk and water on demand for preparing a variety of options, including cold brew and cold beverages.

Cold Brew Function

Ensures cooler temperatures, slower brewing, and maximum aroma for a smooth, flavorful cold brew every time.

Customizable Profile Options

Allows to create up to 4 customizable profiles and 1 guest mode for a personalized display and customize the home screen, modify each profile name via the app, and enjoy flexible profile options for an enhanced user experience.



TempAdjust Technology

Adjusts brewing temperature from settings for precise control and optimal espresso brewing.

‘Surprise Me!’ Function

The "Surprise me!" function helps to randomly choose a beverage from the many options available.

TFT Screen Surrounded by Colorful Touch Panel

The 2.4” touch TFT display, surrounded by a vibrant color film, provides a user-friendly interface where you can explore and personalize 18 espresso-based coffee options to your liking.

BrewConnect™

Fully control the machine with the HomeDirect Mobile App, which also includes over 30 coffee-related recipes and supports Voice Control through Amazon Alexa and Google Assistant.

RemoteLive Software Adaptation

Ensures that the machine is always equipped with the latest firmware and software updates. This seamless integration allows for remote troubleshooting, customization, and enhancement of features over time.

Features

Professional 19 Bar Pressure

Applies 19 bars of pressure for efficient performance, ensuring smooth and consistent results with every use.

Integrated Milk Cup

Features an integrated 0.6 L milk cup with CreamyPro™ Technology, delivers delicious and foamy milk-based beverages with just one touch.

Milk Foam Density Adjustment Knob

Ensures personalized and perfect froth for every cup with the milk foam density adjustment knob.

Integrated SS Cup Holder

Keeps cups within reach for effortless brewing and serving, adding convenience with an integrated stainless steel cup holder that also warms the cups for the perfect coffee experience.

2 Coffee Outlets

Delivers twice the satisfaction with dual pour capability and allows users to enjoy two cups of coffee simultaneously.

13 Different SS Grind Levels

Produces a delightful coffee aroma with GrindPro™ Technology which includes 13 different grind settings, with a 250 g capacity bean container featuring a durable stainless-steel grinder.

Bean & Ground Coffee Usage

Offers the option to use either ground coffee or beans.

Memory Function

Customizes and saves preferred coffee and milk amounts with the built-in memory, enabling users to adjust the coffee's intensity and achieve consistent results with just a touch.

Features

Elegant Design

Combining style with functionality, it embodies the elegant design.

Adjustable Coffee Spout

Ensures that the height can be customized to perfectly accommodate any cup size, enhancing the coffee experience.

Adjustable Coffee Strength

Provides the flexibility to choose between 'Standard Bean,' 'Intense Bean,' or 'Soft Bean' for whole bean coffee or opt for 'Ground Coffee' to enjoy a delightful brew tailored to your preferences.

Removable Milk Cup & Water Tank

Enhances coffee experience with removable milk cup with 0.6 L and water tank with 2 L capacity, allowing for easy preparation, handling and cleaning.

Compact & Maintenance Free Brewing Unit

Ensures perfect coffee with BrewSense™ Technology in a space-saving stainless steel design and easily cleaned in seconds under running water, with an internal piston mechanism that eliminates oil maintenance.

Safe for Dishwasher and Refrigerator

Makes the coffee experience even more effortless with a dishwasher-safe milk cup that can be stored in the fridge.

Easy Cleaning in One Touch

Maintains cleanliness with an auto-cleaning, empty water, milk cup cleaning, rinsing and descaling functions. Detachable parts including water tank, drip tray, milk cup and brewing unit can be cleaned easily.
