Features

5 Options 1 Touch

Delivers five delicious espresso-based coffee options at the touch of a button, fast, easy, and exceptional every time, also provides the convenience of hot water on demand for preparing a variety of beverages.

Professional 19 Bar Pressure

Applies 19 bars of pressure for efficient performance, ensuring smooth and consistent results with every use.

Color Touch Screen Panel

Allows users to easily brew coffee with user-friendly color touch screen panel and perform cleaning and descaling tasks effortlessly for optimal maintenance.

Integrated Milk Frother

Enhances coffee experience to new heights with the convenience of integrated milk frother with touch screen control, delivering perfectly frothed milk for beverages like Latte, Cappuccino and many more.

Elegant Design

Combining style with functionality, it embodies the elegant design.

Integrated SS Cup Holder

Keeps cups within reach for effortless serving, adding convenience with an integrated stainless steel cup holder that also warms the cups for the perfect coffee experience.

2 Coffee Outlets

Delivers twice the satisfaction with dual pour capability and allows users to enjoy two cups of coffee simultaneously.

13 Different SS Grind Levels

Produces a delightful coffee aroma with GrindPro™ Technology which includes 13 different grind settings, with a 250 g capacity bean container featuring a durable stainless steel grinder.

Features

Memory Function

Customizes and saves preferred coffee amounts with the built-in memory, enabling users to adjust the coffee’s intensity and achieve consistent results with just a touch.

Adjustable Coffee Strength

Provides the flexibility to choose between 'Standard Bean' or 'Intense Bean' for whole bean coffee or opt for 'Ground Coffee' to enjoy a delightful brew tailored to preferences.

Adjustable Coffee Spout

Ensures that the height can be customized to perfectly accommodate any cup size, enhancing the coffee experience.

Cup Lighter

The cup indicator light illuminates to signal that the machine is in the process of preparing the coffee.

Bean & Ground Coffee Usage

Offers the option to use either ground coffee, or beans.

Compact Brewing SS Unit

Ensures perfect coffee with BrewSense™ Technology which delivers barista-quality brews with a space-saving stainless steel interior design, taking up minimal counter space.

Removable Water Tank

Enhances coffee experience with removable water tank with 2 L capacity, allowing for easy preparation, handling and cleaning.

Easy Cleaning in One Touch

Maintains cleanliness with an auto-cleaning, empty water, rinsing and descaling functions. Detachable parts including water tank, drip tray and brewing unit can be cleaned easily.

Easy Repairability

User-friendly detachable design ensures hassle-free access to all parts, allows to address any issues efficiently and effectively.
