# Features

## Add Flavour to Summer Evenings

SlushMix™ lets you prepare refreshing cold drinks in just 15–45 minutes on hot summer nights.

## One Touch to Summer Refreshment at Home

Prepare slushes, frappés, milkshakes, mix-slushes, and frozen juices in just minutes, no need to add ice. With one touch, bring the iced drink experience straight to your home.

## 5 Drink Modes, Countless Recipes

SlushMix™ transforms almost any liquid\* into an ice-cold treat with the right texture. Choose among five drink modes to go from rich and sweet to light and crisp.

*\*The recipe should contain at least 5 % sugar.*

## With 5 Cooling Modes, You're in Control of the Chill

SlushMix™ offers 5 different cooling modes to prepare your drink at just the right chill. From a mildly refreshing sip to an ice-cold, thick texture the level of coolness is entirely up to you.

## No Need To Add Ice

SlushMix™ chills your drink on its own, no need to add ice. That means perfectly cold beverages, ready to enjoy without the hassle of prepping or freezing ice.

## Fill It Yourself, Serve It Your Way

Thanks to its ergonomic serving lever, you can easily fill your glass without spills. It offers a stylish and practical serving experience—effortless and elegant every time.

## Up to 12 Hours of Cooling

With its large 1.8 L capacity, it keeps your drinks refreshingly cold for up to 12 hours. Perfect for summer gatherings; your beverage stays chilled and ready to enjoy anytime.

## Real-Time Drink Monitoring with Its Transparent Tank

The transparent tank design lets you monitor the texture of your drink in real time, so you can enjoy your slush at exactly the consistency you prefer.

## Easy Cleaning

The built-in cleaning mode automatically cleans the interior, making maintenance effortless and hygienic.
