

TEST CERTIFICATE

The following products have been tested by airmid healthgroup Ltd as outlined in report(s)
ASCR092432

Product Description	Beko Air Purifier
Manufacturer	Arcelik A.S.
Certificate Number	AHGC: 92432/20/2201/03
Validation Period	7th October 2024
Test Method	Determination of the removal efficiency of airborne Influenza A (H1N1) aerosols following operation of the tested device.
Additional SKUs	Beko - ATP 5100 I / 8895683200 Beko - ATP 6100 I / 8895673200 Beko - ATP 7100 I / 8895663200 Arçelik - AR ATP 6100 I / 8502021100 Beko - BK ATP 6100 I / 8502031200 Arçelik - AR ATP 7100 I / 8502041100 Beko - BK ATP 7100 I / 8502051200 Arçelik - AR ATP 5100 I / 8502141100 Beko - BK ATP 5100 I / 8502151200

RESULTS

The BEKO Air Purifier was demonstrated to be effective in achieving a 99.9% reduction in airborne Influenza A (H1N1) aerosols in the test chamber within 30-40 minutes of operation at the highest speed setting.
