

BFLB903ADW 9 kg Autodose Wifi Connected Washing Machine with Steam

Washing Capacity
9 kg

Max. Spin Speed
1400 rpm

Design

Colour:	White
Door Finish:	Premium Black
Door Opening Angle:	160°
Drum Light:	Yes

Main Features

Max Loading Capacity:	9 kg
Spin Speed:	1400 rpm
Automatic Dosing System:	Yes
Connected Device:	Yes, Wifi
AddGarment:	Yes

Performance

WELS Water Rating:	4 Stars
WELS Registration Number:	C45061
Water Consumption:	92 litres
Energy Rating:	5 Stars
Energy Consumption:	213 kWh
Motor Type:	Prosmart™ Inverter
Drum Design:	Aquawave™
Water Inlet Type:	Single/Cold
Control Features	
Display:	LED Digital
Wifi Functions:	Status View, Remote Start, Customise Programs, Energy Monitoring, Notifications, Download Programs
Remaining Time Indicator:	Yes
Time Delay:	0-24h
Temperature / Spin Selection:	Yes

Unpacked / Packed Depth:	580 mm / 600 mm
Unpackaged /Packed Weight:	72 kg / 73 kg
For more detailed dimensions	see page 3

Sku:	457100017900
Ean Code:	8690842727368
Manufacturers Warranty:	2 Years + 3 Years by Registration 10 Years on Inverter Motor
Launch Date:	November 2025

Smart Dosing - Thanks to a smart mix of load detection, sensor-based analysis, automatic detergent dosing, and adaptive drum movement, this washing machine delivers the perfect wash every time. It's designed to get your clothes spotless while using water and detergent efficiently—keeping your fabrics looking and feeling great, wash after wash.

EnergySpin - Save in all programs, not just Eco. EnergySpin, you can cut energy use in everyday programs—not just eco; thanks to smart drum movements that dissolve detergent faster & clean effectively with less heat. ColdWash delivers the same spotless results, saving up to 82% energy and 55% water while finishing your laundry 31% faster**. And with WaterMode, you can reduce water usage by up to 10% per cycle* without sacrificing performance, so every load is cleaner, greener, and kinder to the planet.

**The ColdWash program, with 15°C, ensures 82% energy savings, 55% water savings, and 31% time savings compared to the Beko 7131820800 - CM 9102 B washing machine's Cotton40 program.

*Compared to Beko washing machine models that do not have the WaterMode feature.

Wifi Connectivity - Easily control your washing machine from your smartphone or tablet with our HomeWhiz technology Wizard. You can also download new programmes, set them as your favourite and remotely control and monitor your washing machine, all without needing to be in the room.

Drum Light - Beko washing machines now have drum light which perfectly illuminates inside of the drum and lets you see inside better to make you sure not leaving any items inside. The drum light will turn on during program selection and after the program has completed.

Steam Refresh - Enjoy the feeling of refreshed clothes. When you wear your clothes once and don't want to fully wash them again, but a quick go-over would freshen them up. Let your washing machine refresh your clothes, remove wrinkles without doing a full wash. Steam infuses into the washing and refreshes the load.

SteamCure™ +Hygiene+ - 99.9% allergen* free with the hygienic power of steam. SteamCure's Hygiene+ steam cycle provides improved levels of cleanliness by heating the water up to 60 °C, reducing common household allergens* by up to 99.9% (approved by Allergy UK) and removing 99.9% virus and bacteria (Airmid Certification).

* House Dust Mite Allergen, Cat Allergen, Dog Allergen, Fungi Allergen

Daily Quick Program - The Daily Quick Program in all Beko Washing machines lets you wash a full load of lightly soiled laundry in just 28 minutes at 30 °C. Your laundry will be done before you can finish that half-hour comedy you've been meaning to catch up on.
