## 9 kg Washing Machine with Steam

**EnergySpin** - Save energy & water without changing how you wash. EnergySpin, Save up to 15% energy. That's the equivalent of one free wash every week\*; thanks to smart drum movements that dissolve detergent faster & clean effectively with less heat. ColdWash delivers the same spotless results, saving up to 60% energy and up to 30% water\*\*. And with WaterMode, you can reduce water usage by up to 28% per cycle\*\*\* without sacrificing performance, so every load is cleaner and kinder to the planet.

\*Based on average household usage of BFLB903ADW1 vs our previous model BFLB902ADW.

\*\*Comparing Cotton 40 full load vs ColdWash half load for BFLB903ADW1 and using liquid detergent.

\*\*\*Comparing Cotton 40 full load vs Cotton 40 full load with Save Water mode selected on BFLB903ADW1. Based on internal test results according to IEC-60456 Standard

**SteamCure™ +Hygiene+** - 99.9% allergen\* free with the hygienic power of steam. SteamCure's Hygiene+ steam cycle provides improved levels of cleanliness by heating the water up to 60 °C, reducing common household allergens\* by up to 99.9% (approved by Allergy UK) and removing 99.9% virus and bacteria (Airmid Certification).

\* House Dust Mite Allergen, Cat Allergen, Dog Allergen, Fungi Allergen

**Steam Refresh** - Enjoy the feeling of refreshed clothes. When you wear clothes once and you don't want to fully wash them again, but a quick go-over would freshen up your clothes. Now your washing machine can refresh your clothes, remove wrinkles without doing a full wash. Steam infused into the washing machine refreshes the load so that you can enjoy fully refreshed clothes.

**Daily Quick Program** - The Daily Quick Program in all Beko Washing machines lets you wash a full load of lightly soiled laundry in just 28 minutes at 30 °C. Your laundry will be done before you can finish that half-hour comedy you've been meaning to catch up on.

**Drum Clean Program** - After you've run the machine enough times, that drum begins to smell a bit from all the humidity. DrumClean+ programme to remove any odours and deep-clean the drum. Remember, a clean drum means cleaner clothes, cycle after cycle.
