Manufacturers Warranty: 2 Years + 3 Years by Registration

10 Years Inverter Compressor (Parts Only)

Launch Date: October 2024

Matching Freezer (Pigeon Pair): Model BVF290W

# BAF369W

## 369 L White Frost Free Fridge

**Everfresh+® Crisper** - Humidity is precisely controlled and condensation reduced via air channels, temperature variations minimised, so your fruit and vegetables stay crisp and fresh for up to 3 times longer than normal\*.

\*Tested by SGS (compared to standard crisper for broccoli and lettuce)

**Active Fresh Blue Light** - Beko's Active Fresh Blue Light™ technology will protect vitamin C intensity in vegetables and keep the natural flavours and nutritional elements in your food intact. This means your fruit and vegetables are up to 30%\* better preserved.

\*Tested by FRPERC and TÜBİTAK (compared to standard crisper for tomatoes, red and green pepper)

**Reversible Doors** - If you're restricted on where you can place your appliance in your home, the reversible doors on this model offer a convenient solution.
