60 cm Upright Cooker with Induction Cooktop

Multifunctional Cooking - Bake perfect cupcakes, roast a delicious Sunday dinner or use the grill to make a hearty but healthy breakfast. A multi-function oven provides you with the ultimate in cooking flexibility by combining a fan and conventional oven, a grill and a host of different cooking functions.

 **SteamAdd**

SteamAdd Program - Home-made pastries should be better but getting that perfectly flaky crust is a challenge. Beko ovens with the SteamAdd™ cooking feature help you cook delicious pastries and bread that's crispy on the outside and fluffy on the inside. Pour out the water at the bottom of the cavity easily before preheating to see that tender and shiny crust on breads and pastries!

Induction Cooktop - We understand how busy your home life can get and how important it is to be able to cook more food in one go. Whether you're making a meal for one, or preparing dinner for your whole family, cooking is made easy with a large oven capacity of 81L.
