60 cm Double Oven Upright Cooker with Ceramic Cooktop
Stainless Steel

Multifunctional Cooking - Bake perfect cupcakes, roast a delicious Sunday dinner or use the grill to make a hearty but healthy breakfast. A multi-function oven provides you with the ultimate in cooking flexibility by combining a fan and conventional oven, a grill and a host of different cooking functions

Extra Large Capacity - We understand how busy your home life can get and how important it is to be able to cook more food in one go. Whether you're making a meal for one, or preparing dinner for your whole family, cooking is made easy with this large double cavity oven.

Easy Clean Catalytic Panels - The catalytic back & side walls makes cleaning quick and easy. Cleverly absorbing cooking grease and reducing food odours, this means no more harsh cleaning chemicals.
