## 70 cm Vitroceramic 4 Zone Cooktop
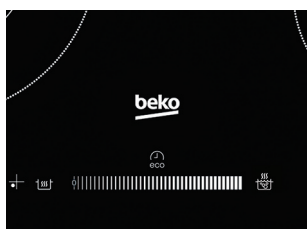

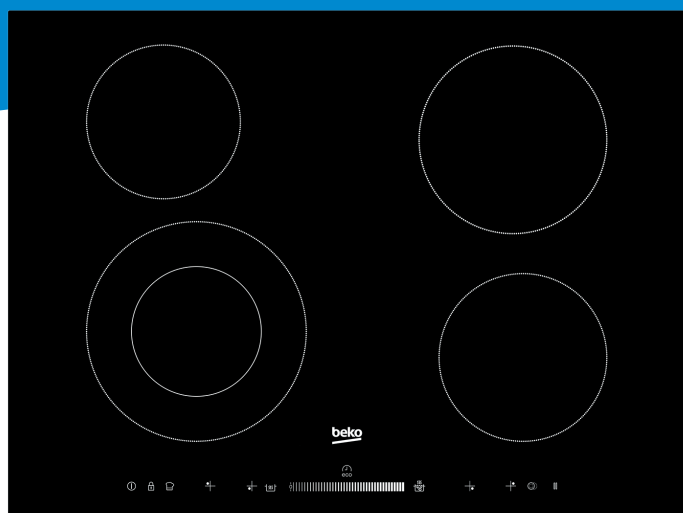

Slide & Touch Control - Select the perfect heat setting out of 19 levels for your food using the easy-to-use touch slide control on our electric cooktop.

Stop & Go Function - Beko's Stop & Go feature lets you turn off all your zones on the cooktop with the touch of a button and then back on again to exactyle where you left off to carry on cooking.

Booster Function - Helping you save time, use the booster function to set the cooking zone to its maximum power, reaching the highest temperature quickly and efficiently.
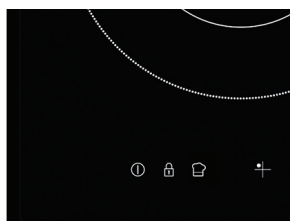

Auto Shut off Safety - When one or more cooking zones are left on too long, the cooking zone will automatically be deactivated after a certain period of time.

Key Lock - You can stop curious little fingers from accidentally playing with the cooktop's settings, thanks to our child safety lock.

5 YEAR WARRANTY*
