90 cm Stainless Steel Dual Fuel Range Cooker

Twin Fan Cooking - With Beko's TwinFan™ technology, you can now cook large portions in no time. By spreading heat evenly throughout the oven, the dual fans provide better air circulation, giving you faster preheating and cooking time compared to single fan ovens.

CAPACITY

Extra Large Capacity- Despite its standard outer dimensions, the Beko 90cm Freestanding Cookers have the most spacious interiors in their class. Convenient for large families or gourmets wanting to get the most out of their oven.

High Power Wok Burner -Great for cooking stir fry, the wok burner evenly distributes high power heat across the bottom of your pan. Not only does this improve cooking performance, but it can also save you time in the kitchen by cooking your food faster too.
