

“Disclaimer

The information presented on this website relates to the **EU’s Public Country-by-Country Report (EU CbCR)** as required under Directive (EU) 2021/2101. This report is prepared solely for the purpose of complying with the EU's public disclosure obligations and reflects data on a country-by-country basis.

Please note that:

- The **ultimate parent entity of the reporting group is not resident in an EU Member State**. Accordingly, the group’s combined financial statements are prepared under a different accounting framework and converted to solo International Financial Reporting Standards (IFRS). Thus, the Report may not fully align with EU-specific reporting standards.
- The figures disclosed in this report **may differ from those presented in the group’s consolidated financial statements** prepared under IFRS or other applicable accounting standards. These differences may result from variations in scope, methodology, currency translation, materiality thresholds, and local reporting requirements.
- The figures disclosed in this report mainly constitute the breakdown of how much economic activity, profit, and tax is reported in each jurisdiction.
- The data is provided on a best-effort basis, based on the most recent and reliable information available at the time of publication. However, **no representation or warranty, express or implied, is made as to the accuracy, completeness, or timeliness of the information** contained herein.

This report is intended solely to meet legal disclosure obligations and **should not be used for investment, tax, or legal decision-making** without consulting appropriate professional advisors.”
