PREMIUM TECHNOLOGY

AQUAINTENSE

Whether it's your cheesiest lasagna, darkest coffee, or other baked-on foods, Beko has developed Aqualtense technology to power your dishes clean. Thanks to its power zone of intense water pressure and innovative 180° rotating spray arm with a 360° rotating head, it provides up to five times better cleaning performance.

SILENTTECH™

SilentTech suppresses dishwasher noise while extra insulation keeps heat in for a high energy efficiency combination that really cleans up.

FULL-SIZE THIRD RACK

This removable rack gives you extra capacity for cutlery and espresso cups while still allowing for glassware and bowls in the upper basket.
