PREMIUM TECHNOLOGY

MOST EFFICIENT

Beko dishwashers are ENERGY STAR® Most Efficient. They save water and energy while exceeding the stringent cleanability Index required to receive this designation.

SANITIZE FUNCTION

The Sanitize function reaches higher temperatures, provides complete peace of mind, especially for cleaning baby bottles and feeding accessories.

FULL STAINLESS STEEL TUB

Our stainless steel interior not only resists hard water stains, spots, and corrosion, it's more durable, offers more noise cancellation, and supports higher temperatures than the plastic interiors found in other dishwashers.
