Features

Mini Turbo Brush (Motorized Pet Brush)
Efficiently removes dust, debris, and pet hair from surfaces, including upholstery and textiles, and is suitable for vehicle interiors as well.

LED Light
Equipped with a LED light and roller system, ensures optimal visibility for finer dust particles and delivers advanced cleaning capabilities.

Wall Mounted Charging Station
Provides convenient storage for your vacuum cleaner and accessories, with automatic charging when docked, serving as a charging station.

Ergonomic Design
Designed with ergonomic features for the convenience.

TrayClean™ Technology
Allows dust to be discharged directly into the trash, eliminating scattering issues when the bottom lid is opened with the press of the button.
