## PRODUCT FICHE

## Complying Commission Delegated Regulation (EU) No 392/2012

| comprying commission belegated Regulation (EC  | ) NO 332/2012      |        |
|--|--------------------|--------|
| Supplier name or trademark   |                    | Beko   |
| Model name   | U                  | D832RS |
| Rated capacity (kg)  |                    | 8.0    |
| Type of Tumble Dryer   | Air Vented         | -      |
| Energy efficiency class (1)  | Condenser          | •      |
| Annual Energy Consumption (kWh) (2)  |                    | A++    |
| Annual Energy Consumption (KWN) (2)  | Automatic          | 236    |
| Type of Control  | Ion-Automatic      | -      |
| Energy consumption of the standard cotton programme at full load (I                                  | kWh)               | 1,95   |
| Energy consumption of the standard cotton programme at partial loa                                   | ıd (kWh)           | 1,08   |
| Energieverbrauch des abgeschalteten Zustandes beim Standardbau<br>bei vollständiger Beladung, PO (W) | ımwollprogramm     | 0.5    |
| Power consumption of the left-on mode for the standart cotton progr<br>full load, PL (W)             | amme at            | 1.0    |
| The duration of the left on mode (min)   |                    | 30     |
| Standard cotton programme (3)  |                    |        |
| Programme time of the standard cotton programme at full load, Tdry                                   | <sup>,</sup> (min) | 197    |
| Programme time of the standard cotton programme at partial load, T (min)                             | dry1/2             | 125    |
| Weighted programme time of the standard cotton programme at full partial load (Tt)                   | and                | 156    |
| Condensation efficiency class (4)  |                    | В      |
| Average condensation efficiency of the standard cotton programme load, Cdry                          | at partial         | 81     |
| Average condensation efficiency of the standard cotton programme load, Cdry1/2                       | at partial         | 81     |
| Weighted condensation efficiency of the standard cotton programme load and partial load, Ct          | e at full          | 81     |
| Sound power level for the standard cotton programme at full load (5)                                 | )                  | 64     |
| Built-in   |                    | -      |

Yes • No -

(1) Scale from A+++ (most efficient) to D (least efficient)

(2) Energy consumption based on 160 drying cycles of the standard cotton programme at full and partial load, and the consumption of the low-power modes. Actual energy consumption per cycle will depend on how the appliance is used.

(3) "Cotton cupboard dry programme" used at full and partial load is the standard drying programme to which the information in the label and the fiche relates, that this programme is suitable for drying normal wet cotton laundry and that it is the most efficient programme in terms of energy consumption for cotton.

(4) Scale from G (lest efficient) to A (most efficient)

(5) Weighted average value - LWA expressed in dB(A) re 1 pW
