Power ✨ Clean™

Rechargeable Vacuum Cleaner

Series PC 7500+

Source: Euromonitor International Limited.
Large Appliances as per "Major Appliances" in Consumer Appliances 2023ed.
retail volume, 2022 data.

Sensitivity: Internal / Non-Personal Data

Features

CyclonStorm™ Technology

Elevates cleaning efficiency with CyclonStorm™ Technology through powerful air whirlwinds.

Long Lasting Performance

With up to 60 minutes of runtime in handheld mode*, provides uninterrupted cleaning confidence and efficiency.

**at minimum speed*

Powerful BLDC Motor

Harnesses exceptional cleaning power with our vacuum cleaner's 450W BLDC motor and 150W suction power.

LED Screen

Displays real-time battery status, suction mode, and alerts.

3 Suction Modes

Effortlessly removes dust, debris, and particles from surfaces with versatile suction options.

AdaptEdge™ Brush Technology

Designed for easy maneuverability, reaching tight corners and hard-to-reach spots for thorough cleaning without missing a spot.

ActiFlex™ Technology

Extends reach effortlessly with foldable tube, designed for easy access to high or hard to reach areas, ensuring comfortable cleaning.

SpinWash™ Technology

Effortlessly cleans floors with the spinning mop. Dual rotating mops cover more area in less time, while the built-in water tank ensures convenient cleaning results.

Features

Dust Capacity

Efficiently contains dust with a 0.5L capacity, ensuring hassle-free cleaning sessions.

Mini Turbo Brush (Motorized Pet Brush)

Efficiently removes dust, debris, and pet hair from surfaces, including upholstery and textiles, and is suitable for vehicle interiors as well.

LED Light

Equipped with a green LED light and a dual roller system, ensures optimal visibility for finer dust particles and delivers advanced cleaning capabilities.

All in Zone™ Station

Features a charging station and automatic dust emptying with a 2.5-liter capacity, designed to maximize convenience. Up to 8 weeks**, without emptying

***Based on internal test results. It may depend on use habits and environmental factors in your home.*

TrayClean™ Technology

Allows dust to be discharged directly into the trash, eliminating scattering issues when the bottom lid is opened with the press of the button.
