

WARRANTY REGISTRATION PROCEDURE

To successfully activate the warranty of your Beko product, carefully follow the procedures below:

1. Prepare a readable copy of your official receipt. It can be a scanned copy in PDF or JPG format. A clear photograph of the official receipt is also considered. The official receipt is needed as your proof of purchase to activate your warranty registration.

2. Get the serial number of your Beko product which can be found on the product label on the box and on the product itself.

3. Provide your full name, contact number and most preferred time of call. Beko customer care officers will coordinate with you at the time you've provided.

4. Send required information - a clear copy of the official receipt, serial number and contact person (name, number and time) to Beko Pilipinas' customer care email address at customercareph@beko.com.

Beko Customer Care team is here to give you advice and professional repair when you need it whether your products are under warranty or not.
