Caffè  **Experto**

**Semi Automatic
Espresso Machine**

Features

GrindPro™ Technology

Fresh beans ground directly into the portafilter. Aroma, oils, and full flavor are preserved, so every cup begins with maximum freshness. No pre-ground compromises, only the authentic taste of coffee at its peak.

AutoTamping Precision

The most critical step of espresso, *tamping* perfected automatically. The machine applies consistent, barista-level pressure every time. No guesswork, no uneven shots, just smooth espresso with rich crema, cup after cup.

20 Bar Professional Extraction

Twice the strength of basic capsule machines. With 20 bars of pressure, flavors are pulled deep from every bean or capsule, creating café-level espresso with a rich crema and bold character

7 Options 1 Touch

Espresso, Double Espresso, Lungo, Americano, Cappuccino, Latte, and Cold Brew. From a strong morning pick me up to a refreshing summer brew, your full café menu lives in one compact machine.

ColdBrew in Minutes

Smooth, refreshing cold brew without the 12 hour wait. The fastest way to enjoy one of the world’s trendiest drinks, barista-style cold coffee, ready in 5 minutes, at home.

All in One Coffee Choice

Capsule & E.S.E Pod Ready

Fast when you need it.

E.S.E pods and capsules* deliver quick, clean coffee with zero fuss. Perfect for mornings that can’t wait.

**Compatible with Nespresso® type capsules and E.S.E pods*

Bean & Ground Flexibility

Freedom of choice.

Fresh beans for full aroma, pre-ground coffee for ease. The machine adapts to your ritual, not the other way around.

Bean to Cup Experience

The complete journey.

From grinding to tamping to brewing, every step happens inside, seamlessly connected for flavor that stays pure and authentic.

Features

Compact Design, Big Impact

Professional espresso in a space-saving form. Fits perfectly into modern kitchens, delivering café quality results without taking over your counter.

CreamyPro™ Technology

Integrated 0.3 L milk cup with adjustable froth settings. From dense cappuccino foam to silky latte milk, every texture is effortless and consistent. Just fill the cup, select, and enjoy.

TempAdjust Technology

Three adjustable brewing temperatures let you control the intensity of every shot. Light, balanced, or bold, unlock the best in every bean and personalize your coffee to your taste.

Auto-Clean & Easy Maintenance

Convenience built in. Automatic cleaning, rinsing, descaling, and milk cup cleaning functions ensure effortless maintenance. With detachable parts like the drip tray and water tank, it stays fresh and ready without the hassle.
