

PRODUCT INFORMATION SHEET

|  |        |   |   |                             |  |
|--|--------|---|---|-----------------------------|--|
| <b>Supplier's name or trade mark (b),(d) :</b>   |        | Beko                                      |   |                             |  |
| <b>Supplier's address (b),(d) :</b>  |        | N/A                                       |   |                             |  |
| Model identifier (d) :   |        | RFNM200E30WN 457295044011                 |   |                             |  |
| Type of refrigerating appliance:   |        |   |   |                             |  |
| Low-noise appliance:   |        | NO  | Design type:  |                             | Free-Standing                                      |
| Wine storage appliance:  |        | NO  | Other refrigerating appliance:  |                             | YES  |
| General product parameters:  |        |   |   |                             |  |
| Parameter  |        | Value                                     | Parameter   |                             | Value  |
| Overall dimensions (millimetre)  | Height | 1457                                      | Total volume (dm <sup>3</sup> or l)   |                             | 177  |
|  | Width  | 540                                       | Energy efficiency class   |                             | F  |
|  | Depth  | 575                                       | Airborne acoustical noise emission class  |                             | C  |
| EEI  |        | 125                                       | Climate class:  |                             | Extended temperate / Tropical                      |
| Airborne acoustical noise emissions (dB(A) re 1 pW)  |        | 39  |   |                             |  |
| Annual energy consumption (kWh/a)  |        | 266                                       |   |                             |  |
| Minimum ambient temperature (°C), for which the refrigerating appliance is suitable  |        | 10  | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable   |                             | 43   |
| Winter setting   |        | NO  |   |                             |  |
| Compartment Parameters:  |        |   |   |                             |  |
| Compartment type   |        | Compartment parameters and values         |   |                             |  |
|  |        | Compartment Volume (dm <sup>3</sup> or l) | Recommended temperature setting for optimised food storage (°C) These settings shall not contradict the storage conditions set out in Annex IV, Table 3 | Freezing capacity (kg/24 h) | Defrosting type (auto-defrost=A, manual defrost=M) |
| Pantry   | NO     | -   | -   | -                           | -  |
| Wine storage   | NO     | -   | -   | -                           | -  |
| Cellar   | NO     | -   | -   | -                           | -  |
| Fresh food   | NO     | -   | -   | -                           | -  |
| Chill  | NO     | -   | -   | -                           | -  |
| 0-star or ice- making  | NO     | -   | -   | -                           | -  |
| 1-star   | NO     | -   | -   | -                           | -  |
| 2-star   | NO     | -   | -   | -                           | -  |
| 3-star   | NO     | -   | -   | -                           | -  |
| 4-star   | YES    | 177,0                                     | -18   | 10,0                        | A  |
| 2-star section   | NO     | -   | -   | -                           | -  |
| Variable temperature compartment   | NO     | -   | -   | -                           | -  |
| For 4-star compartments  |        |   |   |                             |  |
| Fast freeze facility   |        | YES                                       |   |                             |  |
| <b>For wine storage appliances</b>   |        |   |   |                             |  |
| Number of standard wine bottles  |        | -   |   |                             |  |
| Light source parameters (a) (b):   |        |   |   |                             |  |
| Type of light source   |        | NA  |   |                             |  |
| Energy efficiency class  |        | NA  |   |                             |  |
| Minimum duration of the guarantee offered by the manufacturer (b),(d) :  |        | 24 Months                                 |   |                             |  |
| Additional information (b),(d) :   |        |   |   |                             |  |
| <b>Weblink to the manufacturer's website, where the information in point 4(a) Annex of Commission Regulation (EU) 2019/2019 (1) (b) is found:</b>  |        |   |   |                             |  |
| N/A  |        |   |   |                             |  |
| ( a ) as determined in accordance with Commission Delegated Regulation (EU) 2019/2015 (2). ( b ) changes to this item shall not be considered relevant for the purposes of point 4 of Article 4 of Regulation (EU) 2017/1369. ( d ) this item shall not be considered relevant for the purpose of Article 2(6) of Regulation (EU) 2017/1369. |        |   |   |                             |  |
