

22 INCH BUILT-IN BOTTOM-FREEZER REFRIGERATOR

BBBF2410

Fridge Features

- Neofrost dual cooling technology
- ENERGY STAR® certified
- Zone temperature adjustability
- Inner digital display
- Interior LED lighting
- Field reversibility of doors
- 3D door adjustment

Freezer Features

- 3 freezer drawers

Dimensions

- H x W x D: 69 7/8" x 21 7/8" x 21 5/8"
- Depth is without panel / without handles -
- Panel Ready design
- Order separate kitchen cabinet door from your cabinet manufacturer

MODEL CODE	BBBF2410
Cooling system	Duo Cycle Frost Free Cooling - NeoFrost
Control system	Electronic Control
CAPACITIES	
Total net volume, cu. ft.	8.4
Fresh food net volume, cu. ft.	6.1
Freezer net volume, cu. ft.	2.3
FRIDGE FEATURES	
Active Fresh Blue Light	No
EverFresh	No
IonGuard	No
Interior filtered water dispenser	No
Filtered ice & water dispenser through door	No
Electronic control display type	Digital display on front top trim
Auto defrost	Yes
Inner illumination	LED - Ceiling
Shelves	3 Safety Glass
Crispers	1
Door racks	3
Wine rack	No
Bottle gripper	No
Compressor	Variable Speed VCC
Fan ventilation	Yes
FREEZER FEATURES	
Auto defrost	Yes
Number of freezer drawers	3
Automatic ice maker	Yes
Ice cube tray	No
TECHNICAL INFORMATION	
Supply voltage, V/Hz	120/60
Rated Current, A	2.1
Noise level, dBA	39
DIMENSIONS	
HxWxD, in	69 7/8" x 21 7/8" x 21 5/8"
Product weight, lbs.	146
HxWxD, cm	177.5 x 55.6 x 55
Product weight, kg	66
PERFORMANCE	
Energy Star qualified	Yes
Climatic class	T
Annual energy consumption, kwh/year	465
Cooling gas	R600a

22 INCH BUILT-IN BOTTOM-FREEZER REFRIGERATOR

Outstanding Features

Neofrost Dual Cooling Technology

Between unloading the grocery bags and getting ready to prepare a meal, you probably don't spend a lot of time thinking about the food in your refrigerator or freezer. And that's okay, because here at Beko, we do. That's why we've developed our NeoFrost dual cooling technology to ensure your food stays fresher, longer.

Unlike conventional single cooling systems, NeoFrost cools twice as fast with two separate cooling systems that maintain optimal humidity in the fridge, while keeping the freezer dry and frost-free.

ProSmart Inverter Compressor

The kitchen is a gathering place for your family. It's where plans are made and stories are shared. We've engineered the ProSmart inverter compressor to make sure our refrigerator never interrupts the conversation. As a matter of fact, the ProSmart compressor runs four times quieter than other refrigerator compressors. And the energy-efficient ProSmart compressor also meticulously maintains a consistent temperature to keep food fresher, longer.

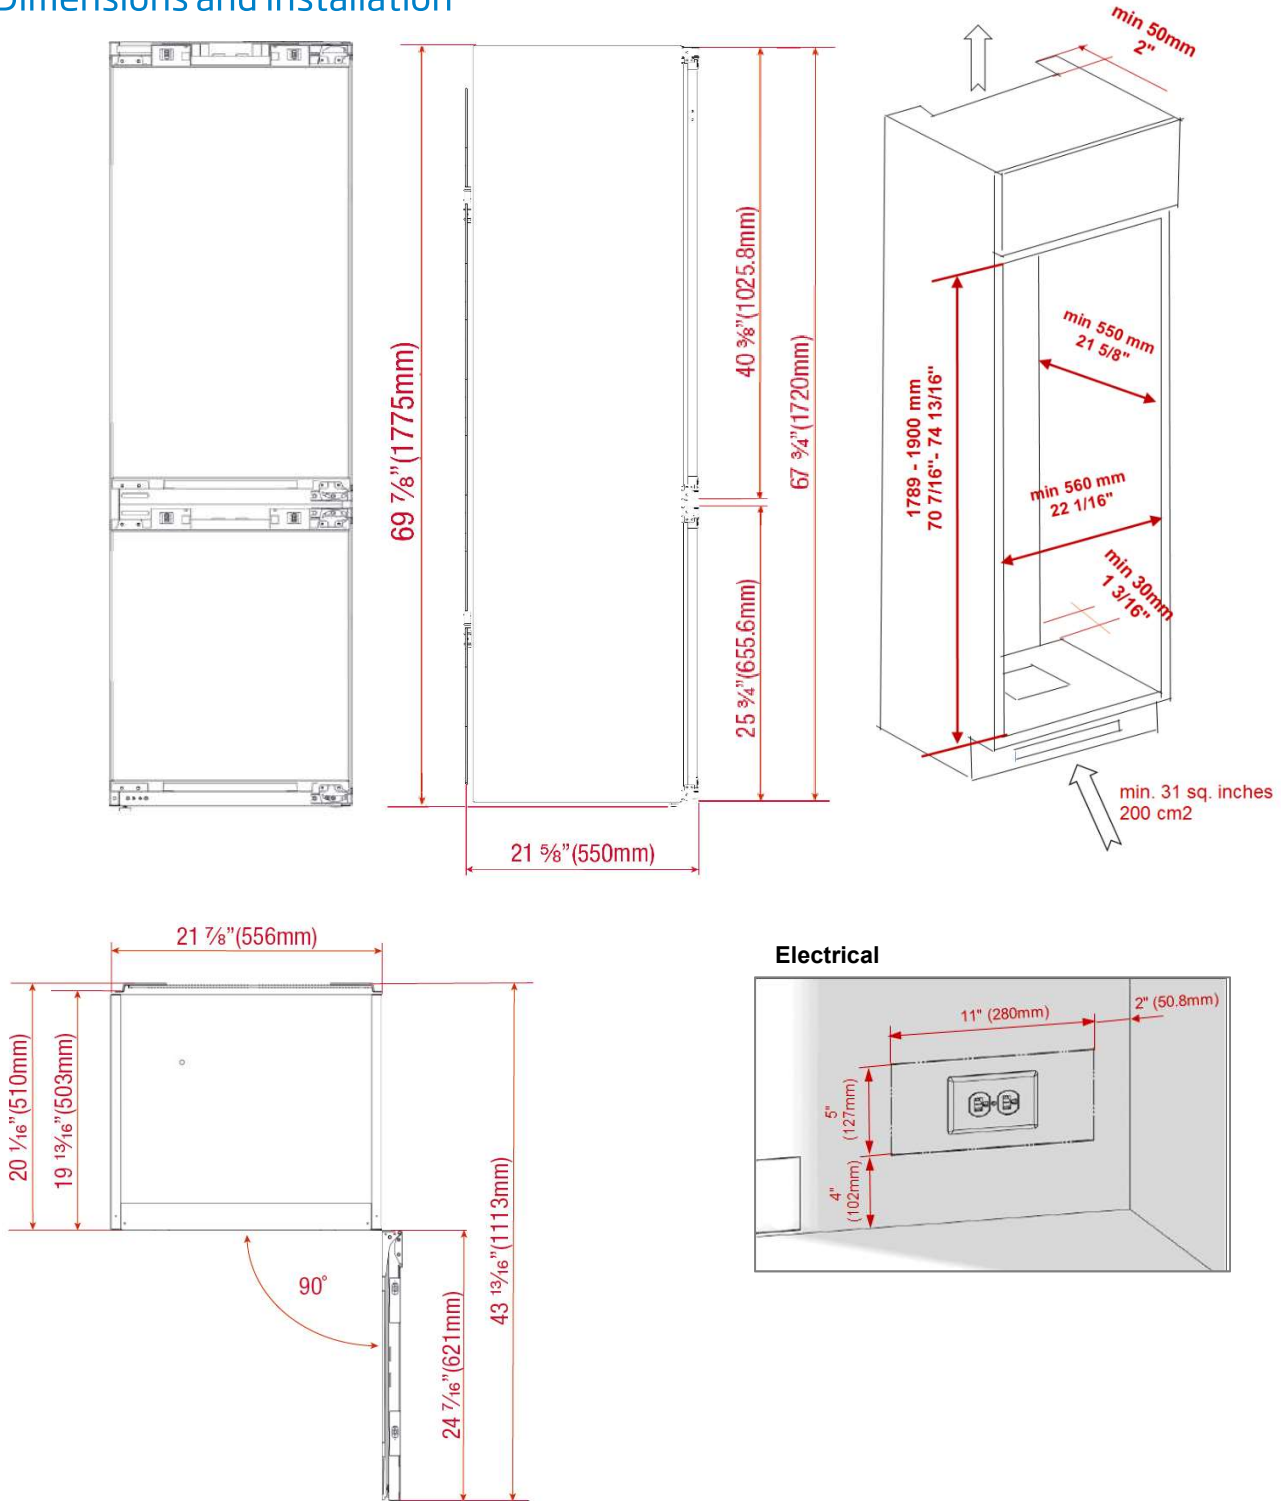

3D Door Adjustment

Attaining perfect alignment is easy and fast with Beko's 3D door adjustment that allows the hinges to remain fixed to the door during the process.
