DUT 25400 SERIES

14 Place Settings Slim panel front control screen

Main Features

5 programs 3 wash temperatures Prosmart Inverter Motor Condensing drying system 48 dBA wash noise level Program follow-up display Time delay up to 1-24 hrs. Auto tablet detergent function 1/2 Load function Sanitize function SuperRinse function Fast function 3 way euro filtering system Front adjustable rear feet Interior highloop with air gap Power plug

Interior Design

All stainless steel tank
Three spray arms (lower, upper and ceiling)

Base Rack Loading System

Unloaded adjustable upper rack 2 adjustable mug shelves Sliding cutlery basket Fixed lower rack tines

Color

DUT25400W: White DUT25400B: Black DUT25400X: Stainless steel

FEATURES

14 Place Settings

Beko dishwashers can perfectly clean dishes upto 14 place settings without leaving any piece of cutlery out.

Fast Function

The dishwasher increases the washing temperature and adjust the water pressure to provide up to 2 times faster cleaning performance.

SuperRinse

Additional rinsing function for households who desire an extra rinsing cycle with more water.

Auto Tablet

Sensors detects rinse aid and automaticly sets drying cycle duration. This provides the best drying results without any concern.

Prosmart Inverter Motor

Variable speed circulation motor allows to use optimum necessary amount of water and energy. Due to magnetic design the motor has no persistent low frequency sound, and creates less vibration.

Double Motion Float System

All Beko dishwashers have a double motion float system (DMFS) that provides maximum security against water damage and a bottom tray to prevent flooding.
