# **30 INCH PRO-STYLE GAS RANGE**

# PRGR34550SS

# **Outstanding Features**

### **Professional Design**

Your range is the warm heart of your home and the focal point of your kitchen. That's why we're proud to announce that our beautiful, functional range designs have earned several IF Design and Red Dot awards. Featuring large knobs with state-of-the-art illumination, distinctive bull nose and handles, cast iron continuous grates, we understand that having a high performance, professional-style range makes it a lot easier to cook like a pro.

### XL Interior Volume 5.7 cu. ft.

For the cook who enjoys some extra elbow room, Beko's oven interiors are among the most spacious in their class. With an industry-leading 5.7 cu. ft. interior volume, you'll have more than enough room for that big Thanksgiving turkey. So this year, invite the whole extended family.

### Dual 20,000 BTU Power Burners

Go from a true simmer to high heat in no time flat. Boil pasta on the rapid burner, use one of the simmer burners for soup and the other for sautéing veggies. Then sear or broil quickly with the dual high-efficiency power burners. Beko offers gas burners that are 25% more efficient than conventional gas burners.

## Central Oval burner 10,000 BTU

Our large center oval burner is perfect for oversized pots or to cook with the griddle accessory.

# XL Cooktop Surface

For the consummate multi-tasker, Beko's XL Cooktop Surface fits four 10" pots, simultaneously. With cast iron continuous grates, you can save time by having several pots cooking at once.
