Daily Xpress Programme

Full capacity cleaning in 28 min

If it feels like ages for the washing machine to finish, try the Daily Xpress Programme. Daily Xpress lets you wash a full load of laundry in just 28 minutes, at 30 °C. Your laundry will be done before you can finish that half-an-hour comedy you've been meaning to catch up on.

Outdoor / Sports Programme

Protection for waterproof fabrics

If you're an outdoor or sports person, you know that proper clothing is part of the investment, just like other equipment. The Outdoor / Sports Program's low tumbling action prevents friction within the drum, helping your clothes preserve their waterproof features and breathability. Now go out and enjoy the adventure.
