- Wave-like drum action for gentler treatment
- Perfect drying, no colour bleeding
- Silent Programme: less noise, more peaceful home
- Mašina za pranje i sušenje veša RecycledTub
- ProSmart Inverter Motor: high efficiency, high durability, low noise

Key Features

Energy Efficiency Class	A++	Drying Technology	Heat Pump
Sensor Drying	OptiSense	Height	84.6 cm
Width	59.8 cm	Depth	60.5 cm
Display Type	Digital Display	Time Delay	Flexible Time Delay (0 h - 24 h)
Colour	White	Product Series	bPRO 500
Drying Capacity	10 kg	Noise Level	64 dBA

Programmes

Number of Programmes	15	Programme 1	Cottons
Programme 2	Cottons Eco Dry Programme	Programme 3	Synthetics
Programme 4	Mixed Programme	Programme 5	Woollens Programme

Programme 6	Silent Programme	Programme 7	GentleCare Programme
Programme 8	Timed Programmes	Programme 9	Jeans Programme
Programme 10	Outdoor / Sports Programme	Programme 11	Duvet / Down Wear Programme
Programme 12	Shirts 30 min Programme	Programme 13	Xpress Super Short 14 min Programme
Programme 14	Hygienic Drying	Programme 15	Hygienic Refresh

Functions

Function 1	Dryness Level	Function 2	Drum Light
-------------------	---------------	-------------------	------------

Technologies

Drying Technology	Heat Pump	IonGuard	Steam Cure
ProSmart Inverter Motor	Yes	Filter Type (DR)	Yes

Design

AquaWave	Yes	Display Type	Digital Display
Colour	White	Water Tank Location	Up
Drum Light	DC LED	Door Type	Transparent - reversible-w/o cover
Inner Drum Material	Stainless Steel	Direct Drain	Yes

Performance & Consumption

Energy Efficiency Class	A++	Drying Capacity	10 kg
Noise Level	64 dBA	Annual Energy Consumption (kWh/year)	281.9 kWh
Sensor Drying	OptiSense	Voltage	230 - 240 V
Frequency	50 Hz	Reverse Drum Action	Yes

Dimensions & Weight

Height	84.6 cm	Width	59.8 cm
Depth	60.5 cm	Weight	41 kg
Packaged Height	88.5 cm	Packaged Width	65 cm
Packaged Depth	63 cm	Packaged Weight	42 kg

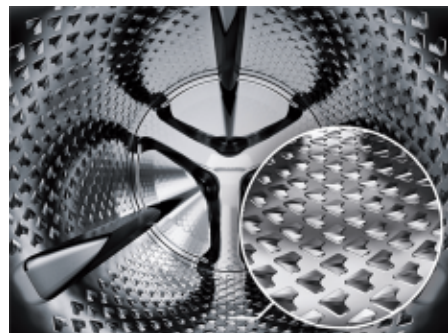

Safety

Child Lock	Yes	Child Lock Indicator	Yes
Water Tank Full Indicator	Yes	Filter Cleaning Indicator	Yes
Condenser Cleaning Indicator	Yes	End of Cycle Buzzer	Yes

AquaWave

Wave-like drum action for gentler treatment

Drying might take its toll on your clothes. So, here is AquaWave system's curved door glass and specially designed paddles that move the laundry in a wave-like action inside the drum, treating clothes gentler and improving the drying performance. Next time someone compliments your clothes and you reply, 'What, this old thing?' you might be telling the truth.

EcoGentle

Perfect drying, no colour bleeding

You used to dress up in all colors but your wardrobe has turned pale pastels. What happened? Oh, the tumble dryer happened. Now there is EcoGentle technology, which preserves the colour of clothes thanks to its innovative drying technology. Standard condenser drying works in conjunction with an air conditioning system to treat clothes gentler and make your dryer more energy efficient.

Silent Programme

Less noise, more peaceful home

Running the dryer while the baby's asleep is a lose-lose situation - either the baby's waking up or those clothes aren't getting dry. Or, it used to be so. The Silent Programme allows you and your family to get a peaceful night's rest as the dryer runs at a noise just above that of a whisper.

RecycledTub

Mašina za sušenje veša RecycledTub

Dizajnirane da smanje zagađenje plastikom, naše mašine za sušenje veša RecycledTub koriste reciklirane plastične flaše u svojim kadama. Korišćenjem recikliranih plastičnih boca koje se pretvaraju u izdržljiv materijal visokih performansi, Beko preduzima male korake kako bi smanjio ugrađeni ugljeni otisak proizvoda, istovremeno minimizirajući i upotrebu čiste plastike. Jer zdravija planeta znači i zdraviju budućnost.

Save Water

Novo rešenje za održivost za komplete mašine za pranje i sušenje veša

Seriya uređaja Save Water štedi do 5,2 litara vode pri svakom ciklusu: mašina za sušenje skladišti čistu vodu i prenosi je u sledeći ciklus mašine za pranje veša. Vodite računa o životnoj sredini i svojoj uštedi uz Beko tehnologije

ProSmart Inverter Motor

High efficiency, high durability, low noise

Don't stress about your energy bill or give yourself a headache every time you dry your clothes. Thanks to a brushless motor design, ProSmart offers energy efficiency, lower sound levels and higher durability - all in a single machine. All so you get the most from your tumble dryer without disturbing your monthly budget or piece of mind.
