Another delicate glass broken because it knocked on other things while washing? The patented SoftTouch Shelves on the upper basket will hold your stem glasses gently in place so that they don't get damaged during the wash. Plus, the mug shelves are height-adjustable to provide the perfect grip for your fragile items.

SteamGloss

Easy-fold Plate Support

Extra room for pots & pans

Every time you cook, you're using different-sized pots and pans, and you need a dishwasher that understands that.
