Fast+

### 3 times faster cleaning

Sometimes you don't have the time to wait for a full wash cycle to finish. The Fast+ function speeds up the washing cycle for up to 3 times\* with optimum performance, meaning you can wash and serve in no time at all. \*Tested by internal laboratories.

### Sliding Detergent Dispenser

#### Easy-to-open dispenser lid

Don't hurt your fingers trying to open the detergent dispenser. The Sliding Detergent Dispenser is so easy to open and close that it makes adding detergent a doddle.

### Easy-fold Plate Support

#### Extra room for pots & pans

Every time you cook, you're using different-sized pots and pans, and you need a dishwasher that understands that. The Easy Fold Plate Support lets you easily remove room for plates to fit in those massive pots and pans. The days of having to wash the largest items by hand are gone, and good riddance!
